To the Family of Alex we send our deepest sympathy. He will always hold a special place in our heart for his kindness and caring of us and our family. I will always remember the lilies of the valley flowers that he picked and brought to me in spring and the peonies as well. The furniture that he made for us will always remain in our home. He was a great craftsman. He will remain in our hearts always.. The Wichman Family

Dear Family of Alexander Narbatovics: I would like to extend my deepest sympathy at this time of the loss of your Father. My Father, Leon Salenieks, always spoke very highly of your Father, and was grateful for his friendship and help through the years. I also had the privilege of knowing your family years ago and have old pictures at their church. My Father passed on last January, too. God is caring for them all in heaven now. In sympathy, Laura Salenieks Jacobs
