“ Dear Ronnie and family,
Oh, how she loved you. Shirley was a beautiful person in all ways. We went to elementary school, jr. high, high school and college together. We tore it up on the dance floor at the Center and at every reunion. I feel so fortunate to have had her in my life. I just wanted her a little longer so we could dance and laugh one more time. Now she is in my heart and I see her smile.

“ Shirley will be sadly missed. I loved working with her in Lomira. Her students and the teachers loved her. She always had a smile on her face and was a thoughtful and caring person. She was always so proud of her family and her faced beamed with joy, when she talked about them. Hopefully the wonderful memories will get you through this difficult time.

“ I have many wonderful memories of Shirley... Playing softball with her, sitting on the back deck and drinking a few beers and telling teacher stories, block parties, running into her at Blanck's Supper club, and just laughing with her. She loved to have a good time. She loved telling stories about her kids and her grandchildren. She was so proud of all of you! She will be missed by many. Such a wonderful person. My condolences.

“ I had her as a teacher in lomira. She was wonderful and I also got the chance to play softball against her as an adult. She will be missed. Rest in peace.
