“ Grandma:

Thanks for all the smiles and laughter through the years. Thank you for that smile you always had on your face even though sometimes I knew it hurt. I guess that's one of the things you taught me how to do too!

I appreciated your wonderful wit and great sense of humor. Just so you know...I don't actually chew my food 20 times before I swallow it like you told me. I still love to sew, I still don't use a pattern and I'm actually quite good at it.

I have an acute fondness for the sound of trains.

Even though it was horrible as a kid to pick all those green beans in your garden...I love them and look forward to when I can buy them from a roadside stand. (I don't pick them anymore!!!)

I still enjoy a hamburger, fries and a strawberry milkshake. It's just not the same as it was at Tuckers!! So many memories...and I get to keep them where it matters most...In my heart.

I want you to know how much I loved you and you will always have a special place in my heart. The little things you did really helped to make me part of who I am now. (Even the ornery part!!) I wouldn't be me without you.

Thank you Grandma. Thank you for your life, your love and your friendship.

Rest in peace in the Lord's arms. Keep an eye on me once in awhile...Lord knows I could use it!!!

Forever Yours,

Your Granddaughter Laura

“ Agnes was a dear friend of my parents (Don & Joyce Freismuth), and used to watch my daughter, Rachel, after school many years ago. She was a sweet, wonderful lady, with a smile that lit up the room. My daughter and I loved her dearly and will miss her. I'm sorry I can't make the service, but she is in my prayers, as are all of you.
