

## Allen Hagedorn

September 20, 1960 - January 16, 2020

Allen Hagedorn passed away on Thursday, January 16th, 2020, at Hospice Home of Hope in Fond du Lac, Wisconsin, at the age of 59. He fought a difficult battle against an illness he could not defeat.

Allen (Al) was born in Milwaukee, WI, on September 20th, 1960 to John Harley Hagedorn and Mary Elizabeth Bradley. Allen was one of four siblings, James, Terri, and Johnny.

Al will forever be remembered by his seven children, Jessica, Sara, Nick, Jeff, Jill, Brandon, and Autumn. He was a proud grandfather to six grandkids, Dez, Dominick, Ava, Jayden, Adella, and Annabelle.

Al had many passions mainly spending time outdoors, fishing, camping, and having cookouts. He also enjoyed “playing the slots” and winning. He looked forward to the holidays where he made many invaluable memories with his family. He brought the holidays to life and flourished in the spirit of Christmas (his favorite holiday).

His grandchildren held a special place in his heart.

Al was a hard-working, selfless man who lived a simple life of providing for his family. He was a great friend that would do anything for others.

In the short time before his passing, Allen found comfort from the staff at Hospice Home of Hope. He was one of the longest-residing residence there allowing him to be part of another loving family. He found a sense of ease at the Home and a great appreciation for the care-staff Allen will be missed and remembered by so many.

“ I had the pleasure of getting to know Allen on the few occasions that I worked at the Hospice Home. From the moment I met him I could tell that he was a very kind, and gentle person. He always looked forward to spending time with his family and spoke of them often. I had to give him a little bit of a hard time whenever he had scratch off lottery tickets in his room. There was just something about him that drew me to him and I could sense his kind heart. Prayers and condolences to his family. Cherish all the memories you made remember them always.
