“ *If you could pick your neighbors, Alma, George, Bob and Ron would be at the top of the list. Now, sadly, they are all gone. I will always remember Alma driving her John Deere mower down Grandview Rd; cutting grass all the way to Huffman's to mow Selma's lawn. Then, driving back home, cutting grass all the way. She was always there when a neighbor was in need. Alma never forgot my parent's birthdays with a card and bakery items. What a kind, good hearted soul. Please accept my sympathies for your loss. She will be missed but our lives are better for having known her.*
