“ I am so sorry to hear of your loss. I also graduated from Winnebago Lutheran (class of 1989). I played basketball with Angie and carpooled with her from time to time. I lived south of Theresa, so she would drop me off at Club 49, where I would get picked up by my dad. I was envious of her great basketball skills and remember going to State and winning it all in 1988! May the Lord bless you and keep you during this difficult time.
