

Angela "Angie" R. Cowling

December 25, 1982 - November 2, 2016

Angie Hoffmann Cowling left this world unexpectedly on Wednesday, November 2, 2016. She was born in West Bend and her family moved to Fond du Lac when she was little. Angie always loved animals. She had a huge heart and loved helping her friends. Music, movies, and books brought her great joy. She was an amazing cook and baker. Even though her own food choices were picky, she loved cooking for others. She did like her sweet tea and pickles. Angie leaves behind her dad, Wayne Hoffmann, Sr.; her mom, Randi Hoffmann; a brother; a sister and brother-in-law; four nephews; many beloved aunts, uncles, cousins, other relatives and friends. She left us to join her grandparents and an aunt. A gathering to celebrate Angie's life will be held on Sunday, November 27, 2016, at Lakeside Park Pavilion beginning at noon. A brief memorial service will be held at 2:00 p.m. with a time for sharing memories, followed by a balloon release. Please honor the wishes of the family to have a private fellowship at the conclusion of the balloon release. Cremation has taken place with a private burial in the future. In lieu of flowers, please consider a donation in Angie's name to your local Humane Society, Children's Hospital, Shop with a Cop, or a charity of your choice.

“ Forever in our hearts & Missing you so much. I Will always remember how you would buy bags of starbursts & only eat the pink ones, how you would set alarms to remind yourself to check on your farm in Farmville, watching you do your scratch off crossword puzzles & how much you loved to wear your hoop earrings and rings. It was very important to you to give in anyway you could. Like how you Grew your hair out every year to donate it to help others & how you would Volunteer your time by sitting in your living room for hours trimming up soup labels for schools by the storage tub full. Thousands of labels but you didn't mind, because all you wanted to do was to help. My deepest sympathies to your family & to your Dad who was always there to help, support & love you. Witnessing a father giving such unconditional dedication for his daughter was truly amazing. Me & the kids will always cherish the time we had together over the years with you. I loved & appreciated you so much chicka. You were my best friend & a part of me will always be lost without you. You were a good friend who was always there. You always had the best of intentions. I so dearly hope you have found the peace you were always had been searching for.

“ Words cannot express my shock and sadness for your loss. I can still remember her as a little girl that I babysat for many, many years ago. Please know that I am keeping the Hoffmann family in my thoughts and prayers.
