“ Dear Donna, and all of your family Our deepest sympathies to all of you for your Loss. Our thoughts and prayers are with you as you go through this most difficult time. Tony was truly the best.. I have so many, many, great memories of you both as friends and neighbors. I especially enjoyed Tony talking to the birds out in the yard..many times I would call back to him as he was talking to the cardinals. How many times he came to the rescue when I found myself in trouble.He was a gem, and will be forever missed, but will always leave precious memories in our Hearts. Thanks for everything Tony! You are now in the arms of Gods ever Loving Care, an we will meet again one day. Donna, call on us at any time for anything you need..we're just down the road! Take Care, We Love you! Tom and Karen
