“ I am so sorry to hear this news. My condolences to Barb's family. I worked with Barb at Océ for 10 years and enjoyed our visits in her office where we joke and laugh. She had a wonderfully wicked sense of humor. She will be missed.

“ I was a co-worker of Barb at Océ for many years, as well as her golf partner in the Océ golf league for a few years. I always admired her passion and dedication to what she did, whether it was work or play. She never took herself too seriously, and loved to laugh. She will be missed by many. My condolences to all family & friends.

“ Barbara was a remarkeble key person in the US IT team of Océ I worked with many years. It's a shock to hear that she passed away at a so young age. I wish all family and friends strength in this difficult period. I keep my warmest memories about the period I worked with her and the fabulous US IT team of Océ best regards Peter Hagedoorn, former CIO Océ

“ I met Barbara when I interviewed for a consulting position at Oce North America in 2003 and again in 2006. We just laughed about the 2nd interview being held at a knitting shop. Best interview experience, ever.... We quickly became friends and over the years our friendship developed into best of friends. I nicknamed Barbara "BG" and she called me Holz. BG, I will always remember you and miss you everyday. I'm so grateful for the time that we spent together, especially the time over this last year. I know that this is my temporary home and when God calls me to heaven, I'll make sure to bring the knitting needles. I love you!

“ Please accept my sincere condolences. I've known Barbara for nearly 20 years. We worked together at Oce for nearly 10 years. She was always a joy to work with, was funny and yet focused, determined and a great leader. We are both "cheeseheads" so we got along well. It was great seeing Barbara at our Oce get together this past July. Barbara will be missed.

“ Always believed that God puts the right people around those that are needier. For a time, Barbarba was one of those special people for me, especially when going through various health issues. Caring and compassionate, Barbara will not be forgotten.

“ *Barbara was my favorite client! Her intelligence, her dedication and devotion to her team at OCE and Canon was admirable. As excellent as she was in her profession, she was better as a person and as a friend. We met many times over the last 15 years and every time we had lunch together, it was the highlight of my day. We would talk about the current work topic and the conversation would shift to everything from politics to family. I know she was very proud of her family! I know her family will miss her very much as will I. She was one of a kind!*
