“ I was just thinking of Barb and looked up her obituary. I knew Barb as a child from church. Her family and ours became friends and were close. Barb n i loved each other like sisters. Always among and happy. She knew and loved the Lord with all her heart as i do. I will never forget her.

“ To Barb's children. I worked with your mom. She was a kind woman who worked long, long hours and did all that she could for you both. She talked about both of you frequently and fondly. It am glad I got to know her.

“ I will treasure my memories of this remarkable woman!Her love of her children, her pets, and her job were all profoundly evident. She was a warm woman whose smile lit up everything near her. Such a delightful and caring woman will be sorely missed. We should all be sure to share the wonderful lessons Barbara taught her children and those around her.
