“ I just wrote the same things less than 2 years ago for Warren - I am so sorry that the family has had to go through another loss so soon. Barb was a wonderful woman - fun, patient, friendly and very loving with her family and friends. I remember a day when we took Carrie to work at Tucker's and she told me she'd teach me how to drive stick:)when I was ready. She was like a second mother for quit a few years. My sympathies.
