“ Prayers and condolences to Rick, Paula and Family, the Beekman Family, and also Aunt Bev’s extended Family. I always thought Uncle Jim and Aunt Bev should have been the Major and his Wife or the Major and her Husband of Fond du Lac. They were both intelligent, so motivated, both possessed the spirit of family and life in general. I recall the annual Family Reunions usually held over the Memorial Day weekend. It was always great to see all the cousins, uncles and aunts. I remember often especially in my teen years Aunt Bev asking me about school and my art interests, she was always so sweet. We have all lost so many Beautiful people that have left us with great memories from their past and also leave us with great examples of how we may live our lives to make memories yet in the future. May Rick, Paula and their family along with the Beekman Families and Aunt Bev’s extended Family know that she is remembered and loved by all. God Bless her journey for her reunion with Uncle jim and so many others!

May She Rest In Peace!

“ Prayers and condolences to Ricky, Paula and their family along with all the Beekman Family and friends and also family and friends of Aunt Bev! I always thought Uncle Jim and Aunt Bev should have been the Major and his wife or the Major and her husband of Fond du Lac! They we're both intelligent, a great spirit for life and a great model and example of care takers of family and life in general. Never to forget the family reunions usually held over Memorial Day where the whole family would get together. Later on as a teenager I recall Aunt Bev always asking of school and my interests in art. Too many Beautiful People that have left us all with great memories! May her kind and nurturing soul reminds us all of that better time that we recall from our past and that those memories will hopefully set a course for the times ahead that we haven't experienced as yet! May Aunt Bev's extended family and the Beekman family know that she was loved by many and that we wish her Peace now as she is in reunion with Uncle Jim and so many others! God Bless and May She Rest In Peace!

“ Beekman Family,
My deepest condolences for your loss. I worked with Bev for over 10 years at Prange-Way. She was a fun and wonderful lady who will be missed by many. I know this is a very difficult time having lost both parents. grandparents so close together. May God surround you all with his healing grace as he guides you through this difficult time. “ As a child and visiting Aunt Bev and Uncle Jim, remember the fun always had there playing with my cousin, Ricky, and how Uncle Jim was such an entertainer with his guitar, train sets and always thought Aunt Bev was such a pretty lady. Always admired from afar as I was a quit, shy kid but still thought she was so pretty, loved her laugh and her kindness. Whenever going to Fond du Lac always thought of that town is of Uncle Jim and Aunt Bev. My childhood fun and memories of both Aunt Ben and Uncle Jim will always be treasured.
