“ Sending Bev’s family positive thoughts and lots of prayers.

Bev is my second cousin, what a wonderful person she was. We met later in life, but became close friends over a short period of time.

Wishing peace and comfort to those who had the pleasure of being a part of her life.

“ I had the pleasure of working with Bev at Social Security for 20 years. She was always offering to help me if I had a question. She was not only a nice person but more importantly she was KIND .One day I came to work and this huge handmade Raggedy Ann doll was sitting at my desk. What a surprise! No special reason. Just Bev being kind. She was absolutely a sweetheart!!

“ I was 10 when Bev became my sister-in-law. She lived her life as a Christian and I never heard her say a bad word about anyone. I have many memories but my favorite was how she saved Green Giant labels to give me a Green Giant doll for Christmas. It wasn't just the doll. She also gave me a suitcase full of doll clothes she had made as well. One of my very favorite gifts! I miss you already Bev but I know you are now “Home” with Don and all the family
