Sorry for your loss. I knew the whole family. I use to be one of his neighbors in the 70s on Doty street. He will be missed like his brother Skip. Bless the family. Prayers

My deepest sympathy for family and friends, I worked with Sandy (my cheese head friend 😄) in Tallahassee Florida for several years. He was a great friend and despite his gruff demeanor had a heart of gold and would be there for you if you needed... He was proud of his son, and family... I was a young man when I met him, he gave fatherly advice (even if I didn't ask for it 🙄) but it was learned advice and when I listened he was right...

I am deeply saddened to hear of his passing... prayers to all... 🙏
