“ Only you could have created a family in which love thrives. For the past 37 years you've nurtured your sons. You've seen them go through the good times and bad. You've seen them create family's of their own, and became the grandmother every child would envy. Your life was dedicated to your family until the very end. This will never be forgotten, and will continue to influence everyone you knew. May you rest in peace with those who have left their hearts and souls before you. God Bless and we will meet again soon.

“ To Cindy and Peter, Janet and Herman, and all family members I do not know.

My heart goes out to all of you for your loss. You will always have your memories to hold on to and may you always know and believe that she is in a far better place than we; she is being carried in God's loving hands. May God be with all of you during this sad time.

“ To all who knew and loved Carol Holzman,
We share in that and feel the loss of one of God's children, but we
also remember that she has gone home to be with him.
We were not in close contact over the years, but we were touched
by a loving and caring person.
We offer our condolences and sympathy to all those who shared a
part of her life.
May she now rest in peace in God's loving arms.
