“ When I was a baby/toddler, Carol was our neighbor and my mom’s friend. I have so many fond memories of Carol and Charlie, David and Ferdinand “Ferd” “Freckles” the Bassett hound. Carol’s house was inviting, and her laughter made everything better.

“ To the family of Carol, what a beautiful and wonderful soul Carol is... she was the first friend to me that welcomed me into Fond du Lac... we shared so many fun times together and can't even recall them all.... may she join Charlie (sure heard alot about him over the years) and may she be at peace forever... it will be really hard to replace her as one of the best neighbor friends I've ever had... Love to all, Debbie Hennen

So sorry for your loss! Carol was the sweetest person I had ever met! She was or neighbor when we lived on Emma street, we would always stand out by her garage and talk almost everyday. We really missed her when she said she was moving. It was so nice to see her when her and her sister were shopping. We always stopped and talked and gave each other a hug. She will deeply missed and always thought about! Rise in peace lovely person!💕💕 Cathy and Rick Bennett

So sorry for your loss. As a teenager growing up on Arndt St. In Fond du Lac, I remember Carol and Chuck joining in our neighborhood volleyball games during the summer. It was a blast! We never laughed so hard in our lives! It was always a special time I looked forward to.
