“ *In our early years we were basically sisters...always at one another's homes. I remember all the Friday nights out to dinner with Uncle Steve (your brother) at Petries drinking Shirley Temples, fishing in the big hole with grandpa (your dad), the havoc we raised in confirmation class being the only two girls, and helping to care for your kids once they came along.*

*Give my mom and Aunt Vickie a hug in Heaven, please. Glad that you have sisters there to meet you.*
