“ Have searched for Carol without success for some time. The two of us were good friends during our years at St. Mary's School in Oshkosh. Along with Judy Spanbauer we called ourselves the Three Musketeers.

*I remember bringing a puppy home from Carol's, much to my Mother's dismay, and that pup was with me for 14 years.*

*I remember how the two of us would help each other study for a test. I received some of my best test grades as a result of those study periods.*

*And all the singing in the church choir. I was an alto, Carol was a mezzo soprano. In high school we both qualified for the acapello choir with Mr. Leist as the head of that dept.*

*By high school 3 of us wanted to go on to nursing school. After graduation we lost contact with each other because we went in three different directions. Each of us attending a different school and of course life led us in different directions.*

*I will always have lovely memories of her. Although she probably didn't know it, she was a bright spot in a somewhat difficult childhood.*

*I am sorry I couldn't find her until now.*
