

Charles A. Zwerg

November 13, 1936 - July 10, 2024

Charles “Chuck” A. Zwerg, died on Wednesday, July 10, 2024. He was born on November 13, 1936, in Appleton, the eldest son of Dr. Alvin W. Zwerg DDS and Mary R. Zwerg. He married Lynne L. Harrmann, of Appleton in 1957, and was blessed to be the father of three amazing children: Charles Jr. (Carol) Falmouth, VA, Carl (Sheryl) Appleton, WI, and Lisa (Steven) Schwartz, Wauwatosa, WI. He is also survived by six grandchildren: Ariel Zwerg, Raleigh, NC, Erik (special friend, Amanda) Zwerg, Oakridge, TN, Dr. Rebecca (Spencer) Fix, Baltimore, MD, Jaclyn (Eric) June, Oshkosh, WI, Joshua (partner Jacob) Schwartz, Mt. Pleasant, WI, and Ethan (special friend, Molly) Zwerg, Aurora, CO. There are also four great-grandsons: Chaz, Carsan, and Cooper Zwerg and Hudson Fix. Chuck is survived by his brother Rev. James (Caroline) Tucson, AZ; and two nephews: James and John.

Chuck was often heard to say, “I’ve been so blessed all my life” ...and it was true. Lynne, his wife of 67 years always offered unwavering love, support, advice and understanding to the challenges life brings. Another special blessing has been all the relatives, friends, co-workers, and neighbors who have enriched our lives and continue to be appreciated and cherished.

All his adult life, Chuck’s primary interest and dedication was to his family. We took trips all over the United States and weekend and vacation weeks at the family cottage on Lake Lucerne or at our home on the east shore of Lake

Winnebago. Chuck made it a priority not to bring work from his job home on weekends...that was sacred "family" time. Although an avid reader, fishing was his favorite hobby, especially catching walleyed pike, perch, and bass.

Chuck graduated with honors from the University of Wisconsin-Madison, with a BS and Masters Degree in Industrial Relations. His working career included the Wisconsin Telephone Co., A.O. Smith, Giddings & Lewis, Aqua-Chem, and Executive Agenda. Serving as Corporate Vice-President of Human Resources for much of his working career, he was asked to serve many organizations in a leadership role. He served as Co-Chairman for many years on the City of Fond du Lac Police and Fire Commission and Chairman of the Board of St. Agnes Hospital, the National Human Resources Committees of the U.S. Machine Tool Manufactures, the National Association of Manufacturers, and the National Boiler Manufactures. He also was active in lay leadership roles at Plymouth and Pilgrim UCC Churches, the Pensacola Community Beach Church, United Way, and the Fond du Lac Area Human Resources Association.

“ *I remember Chuck from my days at G&L 1971-1989. In that time we developed nick names for each other. I was "Potsy" and he was "Chucky Whucky". Even after when we would run into each other and we belong to the same church, we would still greet each other with the nicknames. He gave me a book called "The Good Humor" and signed it. Kind of dry humor but funny. Rest in peace my dear friend and keep them laughing.*

“ *I worked at G&L from 1971 till 1989 and remember him well. He nicknamed me "Potsy" and I called him "Chucky Whucky". He was always so easy to talk to and when during the strike I saw him packing up his stuff I was able to get a book from him called "The Good Humor Book". It very dry humor but funny none the less. I asked him to autograph it and he did. Over the years our paths crossed and it was great to find out he and Lynne were members of my church. Rest in peace my dear friend and keep them laughing.*
