Chrissy I love you so much God may have you now but the time we had you was the best ride I have ever been on. You have given me the best memories a person can ever have. I wish I could have more friends like you; loving, excepting people as they are, and down right fun & funny. I love that smile now God is enjoying your smile. I refuse to grief for you without celebrating your life for you were full of life. Save me a place up there in heaven for I do think I'm coming that way. I miss you my sister I won't be getting anymore phone calls I guess. God please take care of this special lady for she was my best friend. Love you Chris. Rabbit.
