“ I worked with Joe back in 1987 to 1988 at KFIZ. An all time great.

“ Joe was a perfect example of an all-purpose broadcaster (sports, program host, news, etc.) - which is rare these days.

He not only informed and entertained his listeners (plus between 1968-1972 his viewers), but also his coworkers (of which I was one in the early 70s)

“ Definitely the most legendary broadcaster ever in Fond du Lac. Thank you for the memories... and teaching me the ropes... RIP Joe.

“ I remember going to Ralph and Mamas for chili with Joe and Max. It took my sinuses more than a week to recover! Joe interviewed me at KFIZ and gave me my first post college job that was not in the restaurant business! RIP Joe. Your voice and wit will always be remembered. Gail Sharpe

“ Joe had the knack on making sporting events come alive on the Radio. He was never matched on making the close games so very suspenseful.” Sincerely, Michael Jones

“ I have known Joe Goeser for virtually my whole life. When I was growing up at KFIZ in Fond du Lac, he was a towering voice that never went out in style. I'll miss him. May He Rest In Peace, and let us say, "Amen.”

“ Joe hired me to host a teenage Rock show on KFIZ Radio when I was 16 years old. He mentored me and set me up for my career. We shared the microphone on many occasions and later we hosted a TV sho together.. He was kind and funny. Truly one of a kind. A unique and clever celebrity and friend. I loved him. Rest In Peace Josh.

“ I was fortunate to know Joe through my husband working with him in radio. Joe actually hired John twice! Joe had a way to make the sun shine!!! Talented man with the most mystical and wonderful sense of humor. A true legend. I sometimes wondered if he ever put me on his “duster” list!!! I was also fortunate to know Pete and Pam. My heart hurts with you for the loss of Joe. You will always have the vault full of memories. With much sympathy to all of you.....Graci Grantman Bucklen
