“ Dan was one of the most incredible men my husband and I knew. He will be missed tremendously, and never forgotten. The world lost someone who always made a difference in people's lives. He is married to the most wonderful woman a man could ever ask for. Dan was a son to the most incredible parents! Hence, why this world lost someone so special. Our deepest sympathy and love goes out to her and all of his family. Rest in Peace Dan, we will miss you forever! Until we meet again.
