“ I didn't know till now. Jeremy, my condolences. Your mom and I lost touch, but we were great friends in the early 70s and had so much fun. What a great laugh she had. I saw this now as I was looking her up to see if she and Jeff still lived in NFDL. I am shocked and saddened. I never met you, Jeremy, but you are certainly in my thoughts tonight. I am so sorry for your loss. RIP D'Ann.

“ We are saddened to hear of your terrible loss. As a dealer for Mercury/MerCruiser, she was always fabulous to work with. When we were on the line with her, it was like talking with an old friend. May the comfort of family and friends keep you going, both now and in the future...From Moosehead Marina LLC in Rockwood, Maine.

“ Dear Jeremy,I'm stunned & so sad. I had no idea your mom was sick. I go way back with your mom & Grandma O'Brien. Your mom & I re-connected when we worked together at AC Nielsen's and I was in your folks' wedding. I'm so sorry for all of your losses in such a short time. “ Jeremy, your Mom and I were hired at Mercury the same year, I sat by her for a couple of years. She was such a pleasant lady. So caring and helpful to all. A few years later, I was moved to a different department but we still kept in touch. D'Ann will definitely be missed. Losing one parent is hard, losing both in a short time, I can't imagine. My heart aches for you. You are in our thoughts and prayers. Take care.
