Wishing final peace for your father. I will always have such fond memories of your parents from the house in Sobieski. I am so glad they chose me to babysit you and Seth and share in the joy of your family. Big hugs. Love you Brook!

“ 🦋 *A life lived to the fullest and beyond. A friend to all who crossed his path. A man of vast knowledge, wisdom and experiences. A hard worker and partyer. Born and then left days old in a basket by a church.....he lived with no hate, no judgment and love in his heart.
Fly high with the birds dad.....you will be forever missed! 💕
And just like that.....our lives go on.*
