“ *My deepest sympathy Melisa for the loss of your dad. God will give you strength and courage to get through this very difficult time. He is always with you and knows your every need. He will wipe away your tears and comfort you. I'm a Thurs evening church member and would see you and your dad in church down in the front pew all the time. You could tell he thought the world of you and you for him as well. Now he is celebrating and praising God with all the heavenly hosts and looking down on you. I share your sorrow.*

“ *The last time I saw Dean, at Jodies funeral, he greeted me with the biggest bear hug and we talked for a long time looking at pictures and having memories together. I'll always remember that!*
