“ *Deb - I am so sad about losing one of my favorite cousins. Listened to One Monkey Don't Stop No Show by Honey Cone in your Bedroom on Illinois and our frequent meals from Jimmy John's. Deb - Joe will be awesome as will Kamala. I know you will be happy. Never seen this country celebrate the way it has. I'm 3 of 4 of the last elections. I'll remember our Scrabble games and making Grandma pick cards in Uno. I sure have missed you.*

No wonder 2021 was a Horrible Year. My Dad died, then Kevin and then my Mom.

“ I am so sorry to see that Debbie passed. I went to school with her and in 6th grade she started a "Chorus" out of her home. I was so proud to be part of it, and she loved being in charge!!!! My condolences to her friends and family.
