“ Dear family, I just learned of Debbie's passing and I extend my sympathy to you all. The Pitas name has always been a household fixture within my own family! There are many times that our families spent time together over the years...including times when Debbie was "my" babysitter!! She always broguth me 45's from her "source" at WOKY (I think it was her uncle) and she always left them behind for me! In fact, I still have some of them!! Over time I have seen Debbie on occasion and it has been fun to reflect on those fun days. I'll miss those opportunities now, but I won't forget her kindness! My prayers for all of you. Rod Anderson

“ Missy, words cannot express how much your mom meant to me. I will forever be grateful that you shared your mom with me. Mom always had so much love to give and endless patience with us as teenagers. I never knew another mother that would cruise up and down Main Street countless times with her girls just because they were too young to drive. Truly amazing.
Love you both always, Michelle

“Debbie was my sister in law. I first met her when she was 21 years old. I remember the Saturday when she married my brother and the Sunday when she gave birth to my beloved niece Michelle. She took me to the theater to see "The Parent Trap" when I was a little girl, made a beautiful dress for me when I was 12, and introduced me to the music of the Carpenters. I can still see her on Michelle and Tim's wedding day. She was so happy and proud for them. I so appreciate her kindness in inviting my Mom and me into the Pitas family for holidays and birthdays once our family was gone. So many wonderful memories. You will be missed greatly, Deb. Missy and Tim, Tim and Kristen, Jess and Rick, and Cindy and Trace - My heart is breaking along with yours today. She is gone too soon. My love to you.
