“ I hadn't met Dennis until the past year or so when my brother Gary introduced us. We had a bond because he and I are both Marines. This is when I also became friends with Kevin. My deepest sympathies go out to the family and friends. I truly am sorry for your loss. My thoughts and prayers are with you all!

“ Ben and family - you have my sincerest condolences. His obituary gave me a glimpse of the man he was...which only affirmed my assumptions. He HAD to be a great man to raise such a conscientious and compassionate son, like Ben. I am incredibly sorry for your loss.
