

## Diana Lynne Fleischfresser

May 23, 1960 - August 29, 2023

On August 29, 2023 our dear wife and mother moved on surrounded by her family, at the age of 63, after a 26 year battle with heart disease.

May 23, 1960 Diana Lynne Fleischfresser(Adams) was brought into this world by Doloras J. Raschk and Robert L. Adams in Chicago, Illinois. Graduating from Goodrich Highschool in 1977, She went on to get her degree from Marine Park Technical College.

She married the love of her life, Daniel G. Fleischfresser on July 14, 1979 and is a devoted and exceptional mother to five children and 13 grandchildren.

Diana truly lived and sacrificed for her family, she would have done anything to give them all relief but her grandbabies were the most important to her. "My beautiful grandchildren. I could not ask for more. Honestly, my children brought life to me. While others might say, "I brought life to my kids." Never have I honestly said it like that. If not for my kids, never would I say it like that."- Love Grandma.

Diana drove a school bus for over 10 years and appreciated all of her "bus kids." Often she'd express how proud she is of the people they became. She lived life taking in, caring for, and loving animals of all kinds. Diana and Daniel spent their final days together enjoying the neighborhood critters that trusted her with their life. There was not a soul she took for granted.

Diana is reunited with her parents, sister Donna Bindert and brother in-law Dennis Bindert, brother Ryan Adams, her father and mother in-law Stanley and Virginia Fleischfresser, sister in-law Beverly Fleischfresser, many close

friends, and pets.

She is survived by her Husband Daniel Fleischfresser, her children; Travis Adams, Cory Fleischfresser and his children; Ethan Fleischfresser and Dylan Fleischfresser. Cassandra (Scott) Belongia and their children; Corbin Hall, Sulia Talbot, Rye Hall, Simon Hall, Xander Belongia, and Bryson Belongia. Danni'l Fleischfresser and her children; Dreaven Fleischfresser-Schmidt, Deven Fleischfresser-Schmidt, and Ember Scott. Breanna (Matthew) Chatman and their children; Zylas Chatman, Mylah Chatman, and Maliya Chatman. Daniel's children from a previous marriage; Jeffery Fleischfresser, Jennifer Claeys, and Jason Fleischfresser, their children, and one great grandchild. “ What to say about such a wonderful person? I'm so grateful to have been her friend. Diana was such a beautiful soul. She looked at life through such an amazing perspective. She truly love all things living and understood the beyond life. I treasured her words as they always had such wisdom attached to them. She was an old soul. She loved her children, grandchildren and her husband with all her heart. I'm deeply saddened by her loss and just knowing I'll have no more conversations with this brilliant woman breaks my heart. She fought such a brave fight and she did it with all the grace she could muster. A better friend would be hard to come by. Rest in peace my dear friend, you shall always be remembered with nothing but love.
