“ Diane was my neighbor at Portland. She was a very nice person I liked her very much. If I had known about the funeral I would of been there. My memory's of her are of her bringing magizien into the community run and when we sat and talked about our cats I was anxiously waiting for her return. I miss her very much. Sandy vanden Hoogen. Apt 219. My condolences. And prayers for the family. God bless

“ When I think of Diane, the first thing that comes to mind, is her love of cats! In fact, that is how I met her....my cat Gizmo had a litter of kittens and Diane heard about it at Shopko, she ended up taking one, he was her precious Smokey, a beautiful grey tiger. She also had another black cat, her beautiful "Dolly". I truly hope she is reunited with both of them!❤️ Most recently, she had "Cloudy", thankfully a friend took care of her while Diane was recovering at Edenbrook.

Diane was not afraid to speak her mind, and neither am I, I think that's how we bonded. Lol

I spoke to her the day prior to her passing.....she asked how i was and said to give the cats a hug from her, I'm still in shock and disbelief that Diane is gone! Rest peacefully Diane, and this time, I'm going to tell you, to give Smokey and Dolly a hug from me.

Sincerely, your friend, Susan
