“ Miss Gindt was my 1st teacher when I moved to Lomira from Milwaukee. I was behind in reading & had not been taught Cursive writing. She was very kind in helping me catch-up to my classmates without being embarrassed because of what I was never taught. Many years later I ran into her at Plymouth High School with her family & I with mine. We were there to see The Vienna Boys Choir perform. I recognized her from 3rd grade & spoke to her about being in her class. Classy Lady . Sue Remmel Kober
