“ I can't even count the number of times I read the Clifford's Valentine book you gave to Justin. Lauren adopted it once she came along, and it was a nap time and nightly routine for months. Thanks for giving us that memory, as well as for the other fun times at the lake!

“ *Reflecting on this wonderful person, my Aunt Donna, I've been thinking about our annual visits to Fond du Lac for the Fourth of July. We would arrive each year different -- sometimes shockingly so -- fat, skinny, pimples, clear skin, big hair, small hair, blue and purple hair, the right clothes or some disaster -- and no matter how we looked, she was just happy to see us. 'Always greeted us with those kind, loving, accepting eyes. She saw us, what was inside, and loved us. I don't think I've ever met a more kind, gentle, loving, patient, accepting, Christian spirit in this world. We are so lucky to have known her, to have witnessed her. As my mom, her sister Peg put it, "we will miss her kind, sweet, spiritual presence in our lives." All our love, Jenny Richter*

“ *May you rest in peace Donna. Your beautiful children and grandchildren all cherished their time with you. You brought so much love and happiness to this world. You will be deeply missed by everyone's lives that you touched along the way. Thank you for being a wonderful listener and for loving us all as you did.*

Your grandchildren have always been so amazed at how many times you must have been summoned to the phone by Tod with "donna...Donna...DONNA". The famous "Grandpa 3 hollers", with each one getting louder until you picked up the phone. Of course, all of us on the receiving end heard it too!!

Love,

Diane
