“*Joan and Jane, I just heard about your mom. I am really sorry for your loss. You and your families will be in my prayers. I have so many fond memories of your mom. One in particular...I always remember when we would sneak in your kitchen to get the tin of home-made cookies...they were always so good, I loved them. Our Mom's are sitting together at Gods counter having a beverage and chatting just like they used to do in our kitchen.....Remember the fun times.*
