

Doris Ruth Boyd

August 12, 1924 - January 22, 2022

Our mother, Doris Ruth Boyd passed away at her home in Eldorado, WI at the age of 97 years with her family at her side.

She was preceded in death by our father, Charles William Boyd, her parents Erna and Arthur Nitschike, her brother, Arthur and her four sisters, Bernice, Viola, May and Neti.

Doris grew up on a farm just down the road from her home, worked in Chicago for National Cash Register Co. during WWII, where she met our father, who was in the U.S Navy at the time. Following the war, June 8th, 1946 they were married and she and Charlie moved back to Fond du Lac and began their (our) family. In the spring of 1960, she realized a dream when she and our father purchased our farm in Eldorado where they could raise their three children. I remember both my mother and father working two jobs, just so we had the payment for the farm and food. Our mother enjoyed planting and making things grow, cooking and baking, all of which she was extremely good at. Our Mom will be in our hearts and at our side forever.

Doris is survived by her children, Carol Boyd, James and Judi Boyd and their two boys, Ryan and Justin and Charles and Patty Boyd. Doris had many life achievements, but I truly believe her family is her greatest pride.

There will be no service for Doris at this time

“ *Carol, so sorry to hear about the passing of your mom. Doris was always so welcoming in your home when we had playdates together as kids. I can remember one time when we were together 'I think' I'm the one that broke one of your mom's favorite vases, she brought it to our attention but never scolded me even she knew who touched it. I was a little scared of her at first, your home was always so clean and decorated beautifully professional. Remember her set of dinnerware displayed in the dining room? Green and pink floral, I recall. So beautiful. What a lovely mother you had.*
