

## Doris A. Harrison

February 23, 1935 - May 26, 2019

Doris A. Harrison, 84, of Oakfield, passed away on Sunday, May 26, 2019 at St. Agnes Hospital in Fond du Lac.

She was born on February 23, 1935, in Fond du Lac, the daughter of Charles and Neitah Hubbard Balson. Doris attended U.W. Oshkosh and Ottawa University in Kansas, where she studied to become a teacher. She also later obtained a Master's degree in education. She taught 5th grade for 20 years in the Oakfield School District. Even after retirement, she kept up with her past students' achievements, sometimes saving newspaper articles on them, and being proud of their accomplishments.

She was an active member of the Memorial Baptist Church in Fond du Lac, with her faith being very important to her. She was a member of the Fond du Lac Area Retired Educators Assoc.

Since 1959, she has lived on the Hubbard family farm outside of Oakfield. There her dream of owning and raising Arabian horses was realized with the establishment of "Ledge View Arabians", so named because the farm could be viewed from the ledge. She readily shared her love of horses with friends and family- with many people learning to ride a horse for the first time at her farm. At 84, Doris still went out to the barn to feed the horses in the morning and enjoyed flower gardening.

She is survived by her daughter, Gloria Harrison, DVM (Charles "Chuck" R. Paulsen) of Saukville; two sisters: Donna Spatt of Oshkosh and Diana Webber of Silvana, WA; her brother David Balson of Fond du Lac; and six nieces and nephews: Mark Spatt, Michelle Bove, Jolene Summerville, Brian Balson, Bruce Balson and Brenda Post.

She is preceded in death by her parents; ex-husband, Robert Harrison; and nephew, Devin Nagy.

“ To the family and loved ones of Doris! I was a new 1st grade teacher in 1988 when Doris was teaching. In time I got to know her better. I loved her humor and wit. She was very kind and caring but always let you know what she was thinking gracefully. I enjoyed the banter between the teachers around me and Doris is one of those! She was also active in the teachers union so I loved working with her there. I later moved up to 5th grade and gratefully enjoyed that level! Just lovely Memories! RIP my dear.

“ Gloria I am so sorry for your loss, your mom was my 5th grade teacher and neighbor, she was a special lady, her love for horses and kids showed in everything she did. She was one of my favorite teachers.
