“ Hello Cousin Beth, David and family:
We were saddened to hear the news of your Mom's passing, but also happy for her as she has entered into heaven after a long journey here on earth, saved by Christ. Thanks be to God!
I always remember how welcoming your Mom was when I joined the family way back in the early '70s. It is hard to believe so many years have passed and that your Mom's years numbered 91. We just had a call from Kathy and Fred letting us know this past weekend.
You are in our thoughts and prayers, Love, Peter and Heather
