“ I send my condolences to the family and friends of Dorothy. It was my privilege to know her for the short time she lived in North Fond du Lac. We had many wonderful times of conversation together. When Dorothy recently came back to Wisconsin from Minnesota, I received a text message from her telling me she was at SSM Hospice Home of Hope. I expressed my desire to come and visit her, but asked her if she would give me a call when she wanted company. About two weeks ago, I received a call from Dorothy and I immediately went out to see her. I am so glad that I went and had that final opportunity to visit her. She loved the Lord and now she is forever in His presence.
