“ Dorothy, you and Larry were like grandparents to Nick and I. I have so many wonderful memories of the times we shared together. There was painting ceramics, "you scream I scream we all scream for ice cream," after school snacks, and more. I am so glad I was able to visit you briefly before we moved away in 2009. I have thought of you both often, and have always kept you both in my prayers. I will miss you. With lots of love, Jackie (Ales) Weninger
