“ My sympathy goes out to the whole family. I'm sorry for your loss, but so happy for Dorothy! She was a delightful lady, and always so kind. Even as recently as the last couple of years, when I was in the area and would attend St. Paul's church, she would greet me and said that she remembered me. I have not seen any of the "kids" in years, but I knew Peggy the best, from when we were students at WLA and she and my sister were friends. I'll be praying for comfort for all of you, and I pray also that "Dad McTrusty" is doing well and that God will give him strength.
