“ Sending our sympathy to the family of Dorothy. We have a lot of good memories of Dorothy, but, there are just too many to mention. She was very kind and would never say anything bad about anyone. NO matter where we would see her she always had a smile on her face and was happy to see you. May all the memories that you have of her never be forgotten. May she rest in peace knowing that she is united with your Dad. Take Care and God Bless the families of Dorothy
