“ So sorry to hear of Eddies passing. Got to know her thru friends. A loving and caring person.
I had planted winter onions from her and think of her every time I use them,

“ My deepest condolences to Edie's family. Edie was a dear neighbor who shared many gardening hours with me, as well as daily "daylily walks" to see new blooms in our yards. She will be greatly missed. Her laugh was endearing and contagious. I'm sure she's already strolling through heaven's gardens, pulling up stray weeds as she goes! Her bright light will shine on forever.
