“ *Ed served his country in the service and at home. He worked every day to keep the farm going never thinking about how hard it was. I enjoyed my time as a child working on the farm. A lot of people don't know how rewarding and difficult it could be. Working through Wisconsin winters was more brutal than playing in the ice bowl but he never thought about not showing up. Thank you Jackie for helping him as much as you could in his last years.*

“ *My deepest sympathy goes to the entire Albrecht family. I will always remember the times I got to spend with Ed. Whether in the Milk House having a beer and playing cards or going to Bears or Brenner's to watch a Badger football game, I always enjoyed the friendship he shared. Wisconsin Sports has lost a big Fan. Rest easy Ed.*
