“ *Mrs. Chaloupka was my first grade teacher in the early 70's...she always said hi to me when I would see her later in life...even seeing her at church the past few years, we would always catch up on things...she influenced my life when I was a teacher...I will miss having those moments in my life with her...you are all in my thoughts and prayers during this difficult time...*

“ *My thoughts and prayers go out to the family at this time. I always liked Mr and Mrs Chaloupka. They were great freinds of my parents(ben and Jane Majeska) so I saw them often and they were always so nice to me*
