“ Aunt Fran was a woman of God. I will always remember how she went out of her way for others. She always made you feel welcome. I am glad she is finally reunited with my Grandma and her sister Carrie and of course in the presence of her savior Jesus. Until we see each other again Aunt Fran, RIP, say hi to Uncle George.

“ Frances was a precious lady. Always a beautiful smile and quick wit. We were in WI visiting last summer and stopped in to see Frances with Carol Rostyne and Mary Swingen. We had so much fun. She still had her sense of humor and was joking with the staff & care givers, who seemed to adore her. Our prayers for peace and comfort for all her family. Dianne & Dan Bagley

“ Frances was a very special lady! She was one of the many people in my life that taught me about Jesus as a little girl. She was one of my favorite Sunday School teachers. She also had a very humorous side to her, and would bring a smile to your face whenever you were down. Fast forward many years, and she became a blessing to my Grandma, as they both lived in the same assisted living home. She was a dear friend to her when she felt alone at the home because Grandpa was no longer with her. Heaven has gained another beautiful soul, and I look forward to seeing her again one day. Sending prayers to her family. God bless you!

“ Frances was one of the best friends anyone could have had. She was caring and kind, and never hesitated to be there when needed. I remember her teaching Sunday School to my children when they were in the nursery/toddler class. They loved her. She loved Jesus and that showed in her everyday life. Mostly, I remember what a special friend she was to Mom. Always looked for the best in everyone. Frances, you will be missed but we are looking forward to seeing you again!

“ She was such an amazing and Godly woman. I remember that she would invite our family over for dinner after church. She always took such care of those that she was with. She was such a funny lady, who will be missed.

“ I adored the picture Francis took of Mom on that play ground slide when they took a trip to Michigan. It was on placed Moms casket. I do not know if I have it yet or if someone else grabbed it after the funeral. My memory of things like that is kind of foggy because of my health. Francis was really good for and with Mom. One thing they could not take was her Salvation. She was a great Christian Lady.

“ Francis was the kindest, funniest woman I've ever met. The last time I saw her, I visited her with my daughter where she opened up about her life. We learned a lot and she showed us that we have a lot to appreciate.

*I know I already said she was funny, but she really should of been a comedian. She had such a quick wit.*

*I'm sad there isn't a funeral, I would have loved to pay her the final respect that she deserved.*

“ Picture I took of Mom and Francis shortly after we had Mom at assisted living in fond du lac. Francis was a beloved friend of my mother Mildred Guell. She would gladly take my mom to the store or wherever! I had the pleasure to meet with her and speak with her several times when she would visit.

“ Frances was one of the kindest, funniest, and hard-working women to walk this planet. She was humble, loved the Lord with all her heart, and was such a wonderful friend to both my grandmothers. She was a truly special woman and I am forever grateful for the way she took care of my grandmas and made them smile. She even took a 6 hour car trip with my Grandma Mildred and my parents to come visit me in Northern WI... I think that was in 2010 or 2011. We had so much fun with them that visit. My Grandma never would have made that trip without Frances. I am sad she is gone, but I am so happy she gets to spend Christmas with her Savior. Also, Frances loved burgers and fries - so go out and have some in her honor :)
