“ *Sally I just want to thank you and Frank for being great neighbors all these years. I will never forget the time when there was a dead squirrel in my swimming pool and Frank came over and got it out for me. He was always taking care of us. He was always there on the porch checking in with us and see how we were doing. You have our deepest sympathies.*

“ To the Yeager family I’m sending healing prayers and comforting hugs. Frank was a big part of my life ever since I started working at my parents restaurant when I 15 years old, he made me feel welcomed and told me not to worry if I messed up. Ever since then Frank would welcome me each and every day with a smile and a hello. As much as you will miss him so will we at the Oasis Family Restaurant. He wasn’t just any other ordinary customer but part of our family. With his sense of humor he could make anyone’s day and make them smile. I’ll always remember handing him his left over sausages for their dog dookie. We love you Yeagers, and will always be here for you. And fly high my Eagles fan. I will forever remember you.

“ Sally and family, I am so sorry for your loss. I have been praying for you since I heard Frank was ill. I have so many fond memories of time spent with you two at cable functions. Frank was always making me laugh. Know that I really want to be with you on Tuesday, but will not be able to make it. Sue Hansen La Fond
