“Joyce, I am sorry to hear about your loss. I enjoyed working with Gary at Moraine Park. Even though we did not work in the same department, I would occasionally converse with him in the lunch room. He always seemed to have a smile to share. You are in my thoughts and prayers.

“Shelly, please accept our condolences and pass them on to your entire family. I remember your dad as a kind and generous man who clearly raised a great daughter!

“Joyce and family, we are so sorry for you on your loss of Gary. We relish our wonderful memories we had of him and the fun times we had together. We even remember when he wired our new home on Hickory Rd. back in 1966 when we still felt like kids. We envied your love and ability of kayaking! We will sure keep you in our thoughts and prayers. Hugs, Tom and Lorna Friess
