“ We have been spending time with George for the last ten years. The favorite pastime was playing cards and sharing stories. We enjoyed spending time with him and Mom. We loved to see his face lite up when would come from New Mexico to Arizona to see them. We would say his favorite food was ice cream! He loved westerns and we would spend hours watching them or watching his Green Bay Packers play. He was a special person to us and even though we were not related, he was family. We will miss you George!
