“ Dear Gloria & family-- Our deepest sympathy to you all. Carita wrote-- of the great losses in their family. Fritz is a first cousin of Gerry & Carita-- & live down in Burlington Wi --& winter in Tx. I think we have met you at one time at some one of the gatherings. Gerry Mom = Lydia & Fritz Mom = Molly were sisters. The two familys had some nice times together & it was always quite an effort to get together back in those days with the type of cars & miles between them. When you see Carita & Don give her our Condolences also, thank you. Take care of yourself & Remember Gerry is "not gone he is just away" Love & Prayers The Tenhagen's Fritz & Rita

“ I remember Jerry when I was a teenager and both he and my mother (Lorraine) were about the only two people who worked in the old Casket Factory. He and my mother were best of friends and Jerry always talked with my dad about the Coast guard. Then when both Barb and I worked there, we always talked and joked around with Jerry. He was a good guy and will be missed by those of us who knew him. Good luck Gloria. Jerry can now wink at Barb.

“ Gerry was and will remain my best friend. He was always there for me and was and still is like a big brother. He helped me through two cancers and always called me to find out how I was doing. I will miss him terribly. My prayers are with his wife Gloria and I told her she could call and talk with me any time she needs. I will be here for her as I tried to be for Gerry. You will be missed and I know you are now in a place where there is no pain. God bless you and be there for your family as they go through these trying times. I loved Gerry as a brother and will miss him terribly God be with him and his family
