“ Can't believe it's almost June and you past away in January and I first found out about it. I'm so sorry Glenn that your life turned out the way it did, you deserved better. No obituary, no funeral, I'm sure that was your father's doing. He never cared for you the way he would have. Your mom loved you to the moon and back and visited you all the time, hope your together in heaven, give her my love.
Love Nancy
