“ She will always be to me my Aunt GoGo! She nicknamed me “Bucka” and that has followed me for many of my younger years (as my sister Lynn would call me it as well). She told me she called me that because when I sat in the little rocking chair I would rock back and forth saying bucka, bucka, bucka over and over again. She also saved a fifty cent piece she gave me in 1970. It was the first one I had ever seen. She put it in an envelope and I wrote “Do not tuch “ on it. On my wedding day I received a card from her and Uncle Carl and in it was my 50 cent piece. I still have it in the envelope!
